WANT TO HELP? JOIN THE COMMITTEE!

WERA is the World's End Residents Association. WERA was set up by the residents of the estate to represent the views and interests of all residents when dealing with the Council, its agents and their contractors, and ensure that residents are regularly and properly consulted on what is happening on the estate. WERA tries to foster a wider sense of community and cooperation amongst all of the estate's residents and aims to ensure that all of the estate's varied communities are properly represented and are able to participate in its activities.

WERA has a Committee of residents who meet once a month to discuss matters of interest to all residents of the World's End Estate. Committee members are volunteers and receive no financial reward for their work. The Committee's main aim is to improve the estate and make it a better place in which to live. Any WERA member can become a member of the Committee by being nominated and elected at the WERA AGM. If you are a current member of the Association and would like to participate in the Committee's work, please consider standing for election at the forthcoming AGM.
